Re: Notice of Intent (NOI) to Commence Large Mining Operations, Deseret Generation and Transmission (DG&T), Diamond Mountain Resources Limestone Mine, M/047/066, Uintah County, Utah

Dear Mr. Baker:

I am in receipt of the Initial Review of the above-referenced NOI which your office sent to Mr. Gerald Hascall on February 7, 2002. I have been assigned the task of addressing the issues raised in that Initial Review.

Within that Review, your office requested a response by March 8, 2002. I hereby request an extension of 60 days from today's date, for filing Deseret's NOI. I'm certain that within that time frame it will be necessary and beneficial to meet with you, and others, concerning this permitting action.

Thank you for your considerations in this matter.

Sincerely,

A handwritten signature in blue ink that reads "William Curry".

William Curry, PE  
Senior Civil Engineer
